Tell us, and our girls, what you want more and less of!

BEST OF THE BREASTS?

Natural tits or fake tits? To be honest I can never really decide which type I like the best. Some of the *MensWorld* readers who have written to the *Let's Have Some* pages in the past appear to have a clear idea about which they prefer, but where I know for a fact that I dislike the really obvious 'over-inflated balloon' type plastic boobs, otherwise I'm not too sure where I stand.

Take Jessie from volume 23 issue 3, for example. I couldn't work out if they were as nature intended or not – and I spent a long time studying! – but for me they looked like the perfect tits. Large, rounded, and bouncy without seeming as though they'd been artificially pumped-up, I'd have to say Jessie's boobs are probably two of the best I've ever clapped eyes on, and I'll stand by that statement even if it does turn out that they're not entirely real.

Megan's tits, on the other hand, were very obviously fake, and I wasn't a huge fan of those, and Julie's very obviously natural, although they were a little small for my tastes. Diana's weren't much larger, but for some reason she gives me a massive boner every time I look at her, but that might just be her lovely, long legs and pert arse! And that's another couple of subjects altogether. Perhaps if you continue to publish a wide range of different titty-types then I can sort this out once and for all.

Robbie, Darlington

It's the old boob debate again, and one that is set to continue raging as long as the earth keeps turning. Every month we go through the girls with a fine-toothed comb to make sure we've covered a wide range of shapes and sizes, from big to itty bitty titty committee, taking care to include a couple of enhanced pairs, too, so that fans of all breast-types are happy.

Robbie, we can understand you being a bit confused, what with all the varieties out there, but it seems to us that you're very much a bouncy big boob man with mid-to-high pertness levels, but we're happy to let you come to your own conclusion in your own time.

STRIPPED DOWN STUNNER

Although you featured several big name babes in Volume 23 Issue 3, including Charmane and Lela Star – cracking set by the way – and the very sexy Julia Crown, it was a girl that I've personally never seen before who stole the show for me.

Wearing just a simple bikini, her hair scraped back in a pony tail, and what looked like hardly any make-up, Kami upstaged them all, and it makes me wonder how incredible she might look if you gave her the full *MensWorld* treatment like you do with girls such as Sasha Cane and most of the American models.

Kami appeared to have plenty of confidence judging from her poses in some of the shots – another thing that attracted me to her – and I reckon if you gave her the opportunity she could become a big selling point for the magazine. Here's hoping for some more Kami in the future, glammed-up or otherwise!

Gary, Chester

We agree Gary, Kami is a beautiful and naturally very sexy girl, although we weren't sure how the simple look would go down with our readers who prefer a bit of slap and glamour. Well, from the overall response we've had about Kami it went down very well, and those who thought she could've done with some lingerie or a tad more make-up seemed to be happy to console themselves in the bosoms of Julia Crown and Jessica. Next time, we hope to push the boat out and do something a bit more elaborate with Kami – watch this space.

NOT INTO NET

Although I understand that many men now use the Internet to look at naked girls and hardcore videos, I still prefer to read *MensWorld* for my porn fix. The thing I like most about the magazine format is that it's quickly and easily transportable, so I can just look at it anywhere in the house that I fancy without any hassle. For example, if the wife's watching *Corrie* then I can nip up to my secret stash in the bedroom, and if I hear her coming upstairs I'll just quickly throw the mag under the bed and grab a book.

You can't do that with a PC, as you're restricted to the room it's in, and if you hear the wife coming you have to log off quickly, put your cock away, and then field questions about what exactly it was you were looking at whilst still mildly aroused, which is always tricky, especially if she starts looking at the 'history' thing to catch you out.

People might say it's easier with a laptop, but you've still effectively got the same problems as far as I'm concerned, and that's even before you consider the fact that you might not be able to get anywhere near the computer because the missus is on Facebook or whatever. No, give me *MensWorld* any day, although it would be nice to have it without the ads. There seem to be more of them every month!
Trevor, Aylesbury

Trevor, we agree with everything you say! Wanking over Internet porn only leads to trouble, so everyone should stick to MensWorld. Adverts, unfortunately, we can do nothing about, just skip them or something.

KASEY

PHOTOGRAPHY: HICKS

Making the most of the fine weather, Kasey has decided to come out for a picnic, but she appears to have forgotten the food. Instead, the slender stunner has decided to arrange herself across the wooden table for us to feast our eyes on, which is obviously fine and dandy, but here at *MensWorld* we're a bit worried for any guests arriving who might be expecting a very different kind of spread.

Scotch eggs, sausage rolls, pork pies, soggy sandwiches, ginger ale…there's nothing of the sort here, so what exactly does Kasey expect people to munch on?

"Oh, this was no ordinary picnic," she told us in a telephone interview after the shoot, as the boss was too tight to pay for us to fly out to LA to be there in person. "I'm the spread and I want the *MensWorld* readers to feast their eyes on my pussy and ass until their sexual appetites are completely satisfied."

But what about the savouries in Tupperware containers, we continued, still not completely happy at the concept of a picnic without foodstuffs.

"Well, all that crap is so bad for your waistline," Kasey replied with a giggle. "I'm healthy, virtually fat-free, and I can even help you lose a few ounces. Fluid ounces, that is!"

It's difficult to argue with her logic.

MILF-SHAKE!

I've been dating Sarah for the past six months despite the fact that she's awful in bed. To the naked eye she has got to be one of the most beautiful girls ever created, with flowing blonde hair, big blue eyes and the perkiest tits that were made for sucking. At first she seemed like the ideal catch, until we began to fuck. To my surprise, she simply laid still like a dead fish, complaining throughout and not putting forth any effort to be playful, energetic or enthusiastic. The only reason why I continue to see her is because I've got a crush on her mum, Lucille, a drop dead gorgeous MILF who is known around town for being one dirty bitch.

I find myself visiting their house at times when I know Sarah is not going to be home. Lucille loves the time we spend together watching movies, chatting outside on the patio, or preparing food in the kitchen. She's hinted that she'd sleep with me in a second if I weren't involved with her daughter.

One day last week while Sarah was at work I decided to make my move. My cock had been teased for far too long and I needed some relief. I let myself into the house and made my way to Lucille's bedroom. When I walked in I heard the shower running, so I went into the bathroom, stripped down to my birthday suit and grabbed a fluffy white towel. As I heard the shower being turned off I opened the door and surprised Lucille with the towel in one hand and my cock in the other.

"What do we have here?" Lucille said with a devilish smirk. "You know Sarah's not home… Is that for me?"

I nodded and grinned. Before she had time to take the moral high ground I gently pushed her down by the shoulders and tapped my cock against her cheeks, her mouth and her forehead.

"We both know how much you've wanted to suck on this," I said. "Open your mouth wide." She did as I told her without a moment's hesitation, and I stuffed my meat all the way down her throat until her lips were grazing my crotch. Then I clasped my hands behind my back and let Lucille take control.

She grabbed my cock with both hands and began to suck it better than it had ever been sucked before. She spiralled her hands around my bone and popped my balls into her mouth, juggling them around her cheeks like they were two meaty marbles.

"Fuck, this is good!" she gasped, as she switched things up and began to lick the rim of my arsehole. I was a bit surprised at first, but it felt so good that I simply had no choice but to surrender to her tongue. After several minutes of bliss, I picked Lucille up and carried her to her bed. I rested her on her back and got to work on her big meaty clit. As soon as my tongue touched her pink spot it became drenched with her warm pussy cream. I lapped up every last drop and continued to suck on her pussy until she came all over my mouth.

"Stick that hard cock inside of me," Lucille purred. Since she was wetter than Niagara Falls, my cock slipped right into her experienced hole with minimal effort. And despite having been around the block more times than the average woman, I was shocked to find that her pussy was still incredibly tight. I propped her legs on my shoulders and continued to pound her snug hole until my entire crotch was dripping wet with cum. She sucked me off as we switched through several positions.

"Fuck me in doggie!" she called out, so I bent her over and skewered her in the arse. She took it like a champ and even managed to rip her nails through the bed sheets to show her utter excitement at being fucked so hard and deep.

After what seemed like two hours of nasty fucking, I laid Lucille across my lap and jerked my load over her bum. To tell the truth, I may just have to marry Sarah to ensure that I keep getting access to Lucille's hot body.

OFFICE ORIFICE!

My husband Chris was putting in yet more overtime at the office, so I turned up in a slutty dress under a raincoat, and bribed the bloke in the lobby with a

quick flash and a tenner to let me through unannounced.

Then I found out why Chris was always working late – I walked in to find him nuts-deep in a female colleague who he'd bent over his desk. We have an open marriage, have even swapped a little, so I wasn't totally surprised. And when I strutted in front of them, he held it together, saying, "I'll be with you when I've finished." Like he was making a phone call or something!

I'm 30 and the girl was maybe eight to ten years younger, but she wasn't bothered either. She gave me a cheeky look and said to Chris, "You're right, your wife is really sexy." At least he'd been saying good things about me!

He kept ploughing this little slut's cunt really slowly, only speeding up a bit when I let my coat fall open and started running my hands all over my tits. My pussy was throbbing inside of my tight knickers, and Chris told me to play with it, to get it moist and slippery for his cock.

Not that I'd be getting that any time soon. He was stroking in faster now, trying to hold back, but the girl was clenching tight, squeezing his prick inside her. I saw the telltale signs, then heard a groan as he lost his cum.

"Come here," he said, and had me kneel down, so I could watch close-up as he pulled out. Her cunt was so wet and open, all creamed up, and Chris told me to lick her clean. The little bitch – Alyson – was loving this scene, but I love eating pussy and swallowing spunk, so everyone was happy. And I got kind of a kinky thrill as I heard Chris moan – this was obviously too much for him so soon after cumming.

I could also tell why he'd found it impossible to say no to this girl's twat – she was so tight around my tongue and fingers. I can only imagine how it must have felt tugging on his dick as he fucked her. Once I'd licked up every last drop of spunk I began to finger her clit and G-spot, which instantly set her off moaning. "Does he make you cum like this?" I breathed. She didn't answer, though I guess her whimpers of pleasure told me more than words!

Soon Chris was wanking himself hard

HEATHER

PHOTOGRAPHY: SAGE

Heather Vandeven is one of our favourite pornstars here at *MensWorld*, and not just because she's a gorgeous, leggy blonde with spectacular breasts. You see, where many girls list shopping and doing their make-up as hobbies, and talk of work in bars and strip-clubs, Heather has far more interesting tales to tell.

She's been in the US Army, is a qualified nutritionist, and back in 2008 took part in the Drambuie Pursuit, a multi-discipline event including canoeing, shooting, hiking and biking in the Scottish Highlands, as part of Team *Penthouse*, which, if you didn't know already, is a magazine not as good as *MensWorld*.

In many ways Heather is the kind of girl most men dream about. She's intelligent, very, very fit, has a great personality and an insatiable appetite for sex, and I guess the only problem with such a fantastic lass is how the heck could you go about pulling her. Happily, we have some hints and tips.

Firstly, you'd have to like dogs, as Heather loves her three Labradoodles, and secondly you'd have to be as fit as a fiddle to keep up with both her exercise regime and sexual demands. Finally, you'd have to meet her, and considering she won't tell us where she lives despite our constant pestering, that might be a bit of a sticking point. Maybe we'll have to make do with these pictures for now…

CLUNGE-WORTHY!

New Sensations' Seinfeld parody was such a hit, they've got the gang back together to spoof a legendary episode of the classic US sitcom. Emma Edwards joins them on set...

Seinfeld 2: A XXX Parody
Starring: Kristina Rose, Gracie Glam, Nika Noir, Ann Marie Rios, Asa Akira, Tessa Taylor, James Deen, Mr. Pete, Eric John, Mark Wood, Steve Pomerants (non-sex).
Directed By: Lee Roy Myers.
Available By: New Sensations.

Seinfeld, which is arguably one of the best and most beloved sitcoms of all time, is a prime candidate for the hardcore spoof arena. As porn parodies continue to blanket the adult entertainment landscape, very few companies seem to do them as precisely as New Sensations. With several successful projects under their belt, including numerous awards for erotic excellence, New Sensations continues to be an industry powerhouse when it comes to creating colossal cockbusters.

After the smashing success of their first *Seinfeld* endeavour, it comes as no surprise that award-winning director Lee Roy Myers has teamed up with New Sensations, yet again, to deliver one of the most highly anticipated sequel projects of the year with *Seinfeld 2: A XXX Parody*.

In this latest instalment, Gerry (James Deen), Elaina (Kristina Rose), Krammer (Eric John), and Steve Pomerants, reprising the coveted role of Gorge, have placed a winner-takes-all prop bet about sex. With $450 bucks on the line (an extra $50 for Kristina), the fab foursome are out to see who can resist sexual temptation the longest and become the 'master of their domain'. With horny doctors, break-up sex, a masturbating neighbour, and gorgeous girls with incredible derrieres afoot, who will be the first cast member to cave? You're just going to have to read on to find out!

The movie begins with James Deen (Gerry), getting hot and heavy with Tessa Taylor on his living room sofa. Right before the big game of 'hide the salami', Tessa is called away for what becomes another dire emergency that leaves James blue ballin' it for the last time. With a 'vagina raincheck' in the mix, what's a man to do?

Meanwhile, back at his parent's house, Steve Pomerants (Gorge) is choking his chicken while watching a heated version of *Rochelle Rochelle – A XXX Parody*, a DVD he rented from the legendary Porn Nazi. During his big bang finale, Steve is caught white-handed as Nika Noir, their sexy housekeeper, catches him in the act of carnal splooge, fainting right on the spot.

As the cast comes together to retell their torrid tales of sexual angst, the stage is set for the naughty prop bet to ensue. As the details are being hammered out, Eric John (Krammer) catches a glimpse of James' sexy neighbour, Gracie Glam, masturbating in her window. With her legs spread wide revealing a freshly shaven snatch, Gracie goes deep inside her pussy, using three fingers and a thumb. Pulling out her soggy digits, and gliding the sticky contents over

Kristina meets the poop nazi!

Ann Marie Rios: Fitter than Newman, fact!

her tongue, Gracie is on fire. Going wild, Eric flicks out his tongue in her direction, showing his approval, and smacks his $100 bucks on the counter, "I'm out!"

"Out? We haven't even begun!" Kristina says, as Eric leaves the room, following his cock to wetter pastures... err... greener pastures! Eager for a taste of his banger, Gracie lets Eric inside. Once he crosses her threshold, she plants her tongue down his throat and immediately begins freeing his cock, and balls from his polyester pants.

"You liked my little striptease?" Gracie purrs, as Eric flips her over on all fours and begins eating out her tasty tushy. "You're a dirty fuck!" she teases again, this time getting a few playful paw prints planted on the sides of her perfect pucker for having such a dirty mouth.

With a syrupy face, Eric detaches from Gracie's ass looking quite fuck drunk and happy. Resting on the sofa, he snaps his fingers, motioning Gracie to get to work on his wang. She latches her mouth around his hard salami, wiggling her tongue over his meatballs, as the hair on his head seems to stand straight on end. "Deeper!" Eric yelps, holding her face in place until Gracie smacks the floor with her tips of her heels in order to be heard.

"First position," Myers directs from behind the bank of state-of-the-art monitors. Not yet finished with their impeccable oral session, the duo transitions into the 69 position. With bobbing heads that look like pecking pigeons, they continue sopping up more splashes of groin gravy with their tongues. With an incredible heat radiating from both willing participants, Myers' simply allows the action to unfold naturally.

Eventually, Gracie takes the reigns in reverse cowgirl position, locking the heels of her stilettos into the carpeted floor for better traction. "How does that cock feel inside of my tight hole?" Gracie asks, while Eric's eyes roll to the back of his head and sweat trickles down his cheeks. "Fucking great!" he mumbles back. After a few more positions, Eric finally glazes the naughty neighbour like a doughnut, leaving her a sticky wet mess! It's safe to say that Gracie was worth every cent of that $100!

Visiting Nika, his parent's housekeeper, in the hospital, Gorge gets more than he's bargained for. Through the curtain partition, Steve unexpectedly catches the live show as he watches the doctor and nurse, Ann Marie Rios and Mr. Pete, getting frisky with their 'sore nipple' patient, Asa Akira.

"So you say your nipples are sore?" Mr. Pete asks, while Ann Marie lifts up Asa's hospital gown. Curving her tongue around Asa's perfect nipple, she asks, "Does it hurt when I do this?" Asa simply moans with delight, flashing her naked wonton to the camera. "What about this?" Mr. Pete interjects, pulling his pants down and smacking the head of his hodge against her hard nips. Again, Asa moans in ecstasy.

With the game now in full swing, Asa stands by the edge of the bed, plops her left leg up onto the box spring and urges Mr. Pete to try out the health of her other holes. Being bumped from behind, Asa throws Ann Marie onto of the bed, pulling her open to devour her insanely pretty pussy. "Does it hurt when I do this?" Asa jokes, jabbing Ann Marie with two fingers and her tongue.

When the floor becomes too slippery for Asa's tiny feet to continue, she hops on Mr. Pete in cowgirl position. Getting enviable leverage on his shaft, Mr. Pete is treated like a human pogo-stick as Asa goes to town. "Is this seat taken?" Ann Marie asks, squatting on Mr. Pete's head until his entire face is covered with her warm beaver.

Flipping the girls around in several more configurations and stacking them up like pancakes, Mr. Pete is rewarded with a heavenly blowjob. Ann Marie is quick to fill her chipmunk cheeks with his frank, while Asa curls her candy tongue around his beans. Mr. Pete eventually plumps up, spilling his salty contents onto both sets of lips. It's hot!

> "GRACIE GOES DEEP INSIDE HER PUSSY, USING THREE FINGERS!"

Back at Jerry's place, Elaina (Kristina Rose) breaks things off with her boyfriend Puddy (Mark Wood), just as he proposes they take things to 'another level'. Feeling obliged to send him away with a 'going away present', Kristina agrees to let Puddy fuck her up the ass as a sort of consolation prize. (i.e. Note to self, break up with Kristina Rose immediately!)

Working him up in her mouth, Kristina begins by delivering one helluva blowjob to Mark that leaves the entire cast and crew speechless. “I could suck your cock all day!” she gasps, as streams of warm saliva comes pooling from the sides of her lips. Mark holds her head in place, begging her to go in deeper and to choke on his cock. Like a good slut, Kristina does exactly what she is told, reaching her own fingers inside her hole, giving Mark a taste of the sweet stuff.

“Fuck yeah, give me more!” he chugs back, pinning Kristina against the sofa to get a few mouthfuls of her prime-cut coochie. Grinding her greedy gash against his nose, Kristina begins to spew her sap all over his face. “Yummy, I know that tastes good!” she sighs.

> “PLANTING HIS STICK SQUARE UP HER ASS IN DOGGIE POSITION!”

“That’s it, I’m gonna fuck you up!” Mark hollers as he comes up for air. Planting his stick square up her ass in doggie position, Mark weeps at the sheer tightness of Kristina’s butthole.

Smacking herself against his sausage, Mark finds it difficult to keep up with Kristina, as she proves to be a raging assaholic of grand proportions. Once gaining his stride, Kristina’s ass gets turned inside out as Mark decides to go digging through her trenches, turning this pint-sized princess into a glorious gaper maker! He continues to ravage her asshole in more positions, before dousing her thunder down under with healthy sprays of liquid cream from his hose.

With Krammer and Elaina out of the contest, can Gerry withstand the heat and stay out of Tessa’s hothouse? Not a chance! Getting frisky on the couch, yet again, Tessa ensures there will be no more interruptions. Yanking her leopard print panties to the side to paw at her pussy, James (Gerry) grows eight inches in his pants the moment he notices how smooth her hairless hoochie is. “Damn, this is so silky,” he says, pressing his fingers into her moist, pink flesh. “How’s the ass?” he later asks, spinning her around to get a taste of both holes at once.

“Do you approve?” she smiles, shaking her ass back and forth for his benefit. Smacking her buns hard enough to leave a print, James goes in for a lick. “This was worth the wait,” he sighs under his breath, going in for another gooey tongue swipe.

“It’s my turn now,” Tessa teases, crawling over to James on her hands and knees. Bobbing his flogger across her forehead, Tessa is made to wait before James allows her to sample his goods. After an adequate amount of sexual tension has built up, Tessa’s chest becomes inflamed with anticipation as she introduces James’ cock to her tonsils.

“I hate it when you tease me,” she smirks, filling her mouth up with a double helping of nuts. “Quiet down. Get busy,” James interjects, wrapping her blonde hair around his fist like a rope.

Doing her best work in standing doggie and missionary position, Tessa proves her pussy was made for fucking. James obviously agrees, pulling out and popping his load into her waiting mouth. The results are ridicuulous.

With so much raw comedy on the line, stellar directing, and the explosive sex we’ve come to expect from New Sensations, *Seinfeld 2: A XXX Parody* really delivers. Although the original sitcom will go down in history as a surefire classic, we are certain that same sentiment can be shared for porn’s sexy rendition of the cult classic. Serenity now!

MEGAN

PHOTOGRAPHY: VLT

Do girls get any perter than Megan here? With those perky little boobs and that firm bottom, we think not, although we'd obviously be more than happy to discover otherwise.

But was she naturally blessed with her nigh-on perfect body or does the brunette hottie have to work out to keep it in tip-top condition?

"I don't really exercise at all to be honest with you," she told us after we'd all 'calmed down' after what was a remarkably stirring shoot. "It probably sounds a bit corny coming from a model, but I do love really long, intense fucking sessions, and I think it's those that help me stay fit and healthy."

With our boners having only just settled themselves, suddenly things started twitching again, and we had to get Megan to tell us more in the name of professionalism.

"Well I like to straddle the guy and pound his cock with my pussy," she continued, smiling in a way that we can only describe as 'incredibly sexy'. "Then I'll kind of gyrate and twist my hips and grind his dick really deep inside me, thrusting down on his shaft for a while until he shoots his load."

For a while?! We barely got through the description!

ANNIE & BARBIE

PHOTOGRAPHY: EXPOSUREZONE

There's a saying in this business that goes: 'Lesbians don't need fancy furnishings to have fun', and if you needed any proof as to its accuracy then look no further than these two horny rug-munching hotties. The very basic Ikea couch and cheap pastel paint job meant little to these lusty ladies, because as you can see from the pictures – they just wanted to get lezzy.

"I've never heard of that saying before," Annie told us over a post-shoot Malibu and cokes, "but it's absolutely right. I was far too busy enjoying Barbie's kisses and licks to realise that the room looks a bit shabby."

"Now you've pointed it out it's like the person who decorated it was colour-blind or something," chipped in Barbie with a smile. "Good job I was so busy tonguing out Annie's sweet little fanny otherwise I might've been tempted to pop down to B&Q to get a roller and some emulsion!"

So there you have it, lesbians genuinely don't need fancy furnishings to have fun. And in the case of this shoot, it's a bloody good job!

PHOTOGRAPHY: SAGE STYLE

It's been suggested in the past that Team *MensWorld* aren't exactly on-the-ball, dynamic, go-getting kinda guys. Well, that's what our big boss says anyway, but then again he's the one who keeps finding us asleep at our desks with half-eaten Ginster's pasties stuck to our faces, so perhaps he has a point.

However, he's going to have to eat his words on this one because here, splashed across our very pages, is none other than Melanie Rios, a sexy Latina pornstar who only very recently got caught up in an American media shitstorm when she attended what sounds like a shamelessly debauched yet hugely enjoyable party round at Charlie Sheen's Beverley Hills mansion.

That's Charlie Sheen! The errant star of classic movies such as *Wall Street*, *Major League*, *Hot Shots* and, of course, the incomparable *Navy Seals*, and Melanie here was actually at his house, probably listening to loud music and drinking pop and whatnot.

So take that Mr Big Boss Man! Who says we're not on the ball, go-getting, fingers-on-the-pulse type characters? We want a raise and we want one now! And with that off our chest we're going for our afternoon naps.

Foxy Boxing

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: Battle of the Bafta Babes: Helena Bonham Carter versus Natalie Portman

Pedigree

Bonham Carter

This girl isn't just posh, she's really fucking posh. Indeed, the branches of her family tree are veritably laden with politicians, merchant bankers, diplomats and the Ambassador from the Ferrero Rocher adverts. She's played royalty, lives across three houses in Hampstead, takes strolls with David Cameron in the Chilterns, and, being an 'ex', has probably even seen Kenneth Branagh's willy, which, we imagine, is very long and slender like a slim panatella.

Portman

Although you could be forgiven for assuming that Portman is, like Bonham Carter, a 'British poshie' she was actually born in Jerusalem and raised in the US. Portman boasts a degree in Psychology and speaks French, Japanese, German, Arabic and Hebrew, making her very much 'thinking man's totty' territory. We like to imagine her dressed as Queen Amidala from the *Star Wars* prequels, leisurely wanking us off and telling us in Hebrew that she wants us to cream her bagels. But that's just us.

Round 1: Bonham Carter, or BC to her friends, has probably the finest pedigree ever in the history of Foxy Boxing, and as a potential heiress to the Ferrero Rocher empire easily takes the first.

Acting Ability

Bonham Carter

Despite starting out playing 'English Rose' type parts in movies such as *Howard's End* and *A Room With A View*, showing off her cleavage wearing corsets and the like, Bonham Carter can now mostly be found in the weird films of director and partner Tim Burton, to whom, an undisclosed source who may have seen the actress shopping in Morrisons reliably informs us, she offers 'rampant bum-sex', 'cock noshes' and various other 'extreme sexual favours' in return for leading roles.

Portman

With a CV that takes in movies as diverse as *Leon*, *Heat* and *The Other Boleyn Girl*, Portman has earned a reputation for being a talented and versatile actress. However, in our opinion the highlight of her illustrious career so far was her performance in the critically-acclaimed drama *Closer*, not because we thought her acting was that great or anything, but because she does a sexy pole-dance.

Round 2: Both girls are very similar in terms of versatility, but Bonham Carter happens to be the one who we've made up a story about issuing anal candy in return for leading roles. BC's round.

Other Abilities

Bonham Carter

Apart from wearing silly clothes and looking a little bit like she sleeps in a hedge, Bonham Carter isn't big on extra-curricular talents. "I once got a fourteen break on the snooker table in the Finsbury Park Conservative Club," she apparently told someone somewhere, "but after that I got so pissed on cheap Carling that I couldn't even see the balls properly."

Portman

For her role as a veteran ballerina in the smash-hit movie *Black Swan*, Portman had to train for 17 minutes every day for a total of three weeks. It was a gruelling schedule, but essential to capturing the subsequent authenticity of the impressive ballet scenes. "I did that thing where you stand on your tip-toes and spin round a bit," we imagined she told us. "It made me feel a bit dizzy, but I didn't mind because it was all in the name of art."

Round 3: Sleeping outdoors and small breaks on the green baize are one thing, but Portman knows proper ballet moves and stuff, and pirouettes her way to round three.

Sex Appeal

Bonham Carter

Before she started playing strange and unsavoury characters in flicks such as *Sweeney Todd*, knocking one out over BC, particularly when she was showing off chest furniture in some period flick or other, would've been understandable, if not expected, behaviour, especially if you weren't watching it in the cinema. These days, however, people might raise an eyebrow, especially if you did it during *The King's Speech*, where she essentially plays the Queen Mother. Shame on you.

Portman

As she always comes across as such a serious individual, it's easy to imagine Portman as being one of those girls with pert tits and hard, pointy nipples, and an urgent and passionate approach to sexual intercourse – not that we've given it that much thought, of course. Although it would naturally be a huge privilege to see Portman naked, carnal conquests would be an intense affair, burnished with quotes from Shakespeare rather than talk of how you'd like her to suck you off.

Round 4: Getting down to the nitty-gritty, which incidentally you probably wouldn't be able to do with either of these girls, it's slim and sexy versus womanly and wacky. Portman's round by a nipple.

Future Plans

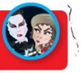
Bonham Carter

With Tim Burton rumoured to be working on several large projects, it's likely that BC is puckering up those lips and working on elaborate sexual positions such as the 'Reverse Tulip' the 'Taut McConaughey' and the 'Darlington Clamp'. Other than that, there are rumours of a *King's Speech 2*, which will document the little-known later life of King George VI, when he became an international beatboxing champ.

Portman

Semi-coherent reports from our man in Morrisons, who apparently overheard Portman discussing new projects on her mobile phone by the vine-ripened tomatoes, suggest that a couple of high-profile rom-coms are on the way, as well as a blockbuster superhero flick based on the comic book character Thor. True or not, Portman is at the top of her game at the moment, but will she ever ice the cake and get those perky little titties out?

Round 5: Times are high for both these girls, with big movies in the pipeline and Hollywood at their feet. For the first – and last – time in Foxy Boxing history, it's a drawn round and a level bout!



Result

When the two big actresses of the moment clashed in the Foxy Boxing arena, it was always going to be a close and keenly fought contest. With her top-notch pedigree and alleged sexually liberal ways, BC stormed into an early lead, but Porter, utilising her ballet skills and firm nipples, battled back with the kind of tenacity you'd expect from an a-list performer. If only she'd got her tits out in *Black Swan* she might have gone home with the spoils.

MODEL BEHAVIOUR

OUR *MENSWORLD* MODELS ARE A RACY LOT, AND WHEN THEY'RE NOT STRIPPING OFF FOR US, THEY'RE USUALLY UP TO SOME KIND OF MISCHIEF. BUT EXACTLY WHAT SORT OF NAUGHTY SHENANIGANS DO OUR GIRLS GET UP TO, AND WHAT IS A PORN MODEL'S LIFE REALLY LIKE? EACH MONTH ONE OF OUR FAVOURITE BABES TELLS ALL ABOUT THEIR SORDID BEHAVIOUR…

THIS MONTH

DOMENICA

PHOTOGRAPHY: DDF

Hi boys. Hope you like my pictures in this month's *MensWorld*. I had a lot of fun taking them, but I'm a little bit upset that you don't get to see the behinds the scenes shots that go with them. I'm not sure what the law is regarding hardcore pictures of girls with spunk all over their tits in magazines in the UK though, so maybe it's best that you can't!

So anyway, I turn up at the studio for the shoot and for me it's just another day of modelling. I've been in the business for over three years now, so I barely think about it when I go to shoots. When I started out I was so nervous all the time, the photographer would have to hold the camera extra still or I'd be blurry in all the pictures, I would shake so much! It took a good year or so to get used to the experience of being photographed naked by a stranger, and I never used to be able to look at the pictures of myself in the magazines – I was far too embarrassed.

These days, though, I always buy the magazines that I appear in. I sometimes masturbate to the pictures of me naked too – is that weird? I guess I just find it very sexy to know other people are playing with themselves while they look at me, and that gets me going. I've already made myself come a few times looking at these pictures of me in the shower, but that's more because of what happened on the shoot – and let me tell you I needed a shower again directly afterwards!

So I turned up, like I said, and got down to business straight away. The photographer was a guy I'd worked with before, and he'd always been very professional on set. I remember once giving him a blowjob in a taxi, but I'd never got up to anything saucy with him on shoots – he was always too obsessed with getting the pictures just right.

I undressed and started playing with my boobs, putting myself in all the poses I know you guys like, and could feel my pussy getting wet as I pictured all the hard cocks of readers like you looking at my pictures. I slid a hand between my thighs and felt the wetness on my fingers as I pulled my lingerie to one side and opened my pussy lips to the camera. The snapper, Mike, carried on professionally as I bared all, and slowly slid my fingers inside my wet pussy. I like to try and

HER PUSSY WAS DRIPPING WET WITH THE ANTICIPATION

bring myself off on photo-shoots these days, although it sometimes annoys the photographers as they need you to stay pretty still for their shots. But I carried on, working myself up and flicking my clit while he stood over me and took his photos.

Now, when I say I once gave Mike a blowjob in a taxi, I have to admit I felt a little bit bad about it cos I'm actually good friends with his wife, Claire. I think he felt bad about it at the time, cos he didn't book me for a good year after that, and we didn't see each other or speak to each other. I guess he felt bad and wanted to pretend it hadn't happened. Claire is a gorgeous girl, and ex-model herself, and I wasn't expecting her to turn up at the studio when we were shooting, but as I lay there on the floor of the shower making myself orgasm, she came through the door carrying a load of camera equipment.

Turns out Claire had been working as Mike's camera assistant this last year or so, and helped him on most of his shoots. I felt a bit embarrassed about making myself cum in front of her husband, but it was too late to stop by the time she walked up to us. I was red-faced and shuddering as she came up and said hello, and she gave me a cheeky wink. I'd missed hanging out with Claire – always a good laugh, and very sexy, with her long, blonde hair and pert body.

I mumbled my hello back to her and Mike gave her a kiss on the cheek, then turned his camera back to me. I got onto all fours and stuck my arse in the air, looking at them both over my shoulder.

Mike started taking photos but Claire just stood there in her tight jeans and T-shirt, staring at my wet pussy and my bum. I made eye contact with her and realised that she was gagging for it, so I smiled and said, "Lick me."

Claire didn't need asking twice. She got on all fours behind me and buried her mouth in my snatch. I could feel her nose rubbing against my (very clean, I might add) bumhole as she forced her tongue into my pussy, her hands grabbing my arse cheeks and pulling them apart. Mike kept taking photos but it wasn't long before his camera was in one hand and his cock was in the other, tugging away at the sight of his wife eating out his model.

I decided I wanted a taste of Claire's

SHE FORCED HER TONGUE INTO MY PUSSY, HER HANDS GRABBING MY ARSE cunt, having never worked with her when she was modelling herself. I pulled away and turned to face her in the shower, then quickly undressed her, freeing her gorgeous round tits and pulling her jeans down over her slim, tanned thighs.

She was wearing white cotton knickers and looked so sexy kneeling in front of me wearing them and nothing else. Rather than pull them down, I yanked the gusset to one side and pushed her back so I could properly bury my head between her legs. Her pussy was already dripping wet with the anticipation of what I was going to do to her, so I put two fingers inside and started licking madly at her hard clit, working her into a frenzy.

In the meantime, Mike was working into a bit of a frenzy himself. The sight of me giving his wife oral sex was possibly just a bit too much to bear, and he lost control of his wanking and started to come, groaning loudly as he sprayed Claire and I with wads of thick spunk (I suddenly had a flashback to the time I tried to drink his load back in the cab, remembering he produced a lot of the stuff!)

That turned Claire on even more – she started bucking her hips there and then, and I focused my efforts on bringing her off while Mike started taking photos again of his spunk-covered wife getting eaten out by a spunk-covered model. I had a pretty strong feeling these shots wouldn't be making it into *MensWorld*, more's the pity!

As Claire came I felt my mouth fill with her hot juice, and as soon as the waves of her orgasm subsided she picked herself up, swapped positions with me so that I was lying flat on my back, and proceeded to do the same in return, greedily sucking on my cunt and putting her fingers inside me.

Needless to say, it wasn't long before we were both getting a spunk-shower again, and I think there might have been two more by the end of the afternoon. Either way, I got through a lot of shampoo getting it all out of my hair once the three of us were done! Wish you could have seen the photos, but I guess you'll have to imagine them…

WE WERE BOTH GETTING A SPUNK SHOWER AGAIN

WE SO HORNY! PT.2

IT'S THE CHINESE YEAR OF THE RABBIT WHICH, OF COURSE, BEARS NO RELEVANCE TO THE END OF OUR ROUND-UP OF THE HOTTEST ASIAN PORN STARS EVER. JUST THOUGHT WE'D MENTION IT...

LILY THAI

Asian Persuasion: Lily is a Hawaiian honey with Italian and Filipino forebears (yeah, *MensWorld* is the kind of mag that uses words like 'forebears'), but grew up in Texas and now gets crammed in California. Extremely pretty, Lily has worked at a slowish pace, that pace now a crawl from the lack of recent stroke material. Boo! Come back!

Addicted to Asians: Like Nautica Thorn, she's cute enough to dictate her own terms, so she works when she wants and does what she wants. It's usually well worth waiting for, although there's no anal and we'd love to see her at the centre of a blowbang ending up glazed like a very sticky doughnut. She definitely shines brightest in lesbian scenes, so seek them out.

Big Dicks in Little China: Working with fellow Asian heartbreaker Katsuni in a nice threeway in New Sensations' *I Love Katsuni*. She's also a member of the squirting sisterhood, soaking the screen in Simon Wolf's *Squirting Nymphs* and Adam & Eve's *Hot Squirts*.

KAYLANI LEI

Asian Persuasion: Singaporean sort Kaylani is a Vegas babe who made the transition from feature dancer to porn star with consummate ease. She's now a popular porn figure with a Wicked Pictures contract and her own radio show.

Addicted to Asians: We won't lie (or Lei), Kaylani is definitely couples-friendly. With most of her scenes confined to her work with Wicked, we're talking condoms, soft lighting and pussy poking only. Which means she must be pretty special to make this list – she is. Kaylani is 4 ft and 11 inches of allure, with melting eyes and creamy skin that soaks up cum perfectly. If you want to give your chap a classy evening, introduce it to Kaylani's cock cramming canon.

Big Dicks in Little China: With 4 or 5 years of Wicked work in the bag, there's plenty of high class humping for you to check out. There's a nice scene with Randy Spears in the hugely successful *Space Nuts*, while she's in 4 scenes of *Kaylani Unleashed*, including a scene where she lays Lyla Lei!

KIANNA DIOR

Asian Persuasion: Although she hails from British Columbia, Kianna can thank her English and Korean parents for her bone-bulging looks. The 34DD babe is a rare big-boobed Asian performer.

Addicted to Asians: With covergirl looks, Kianna is a popular and in-demand performer, whether duelling with dykes or battling with balls. And with that big rack, she's an unusual Asian presence in many big-boob lines. In lesbian scenes, she's a dominating presence. Yeah, she's good. We'd definitely wank to her. Oh, wait, we already have.

Big Dicks in Little China: Check out her raw threeway with Mr. Pete and Jewel De' Nyle in Puritan's *Babes in Pornland* 7. And satisfy several fetishes at once with Filmco's *Big Boob Lesbian Cops*.

PRIVA

Asian Persuasion: What can we tell you about Priva? Actually, not a whole heap. We can tell you that she also goes by the slightly less catchy name of Libellule, she's 5' 3" and has been putting

We all adore Dior!

her arse on the line – yes, mostly her arse – since 2005. Also that she makes a nice tingly fluid come out of our dicks.

Addicted to Asians: Priva is more or less the opposite of Kaylani Lei. She doesn't spend her time learning lines and getting condom-cocked in couples features. No, she works for the likes of Jules Jordan, Evil Angel, Zero Tolerance, Private and Diabolic, which basically means she's getting her tight little arsehole reamed all day long. This is a good thing.

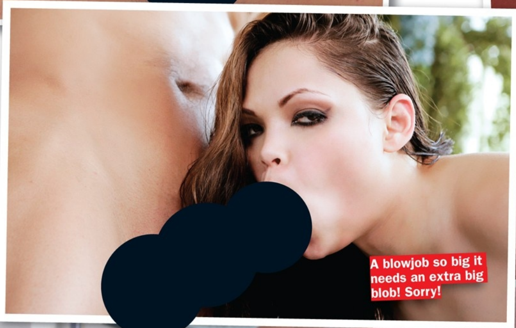
Big Dicks in Little China: She's only made a couple of movies that don't involve her getting arse-fucked, and there's a fair amount of DP action on her CV too. You'll wonder where exactly all that dick goes in Diabolic's *Down the Hatch 23* or Private's X-Girls. And she puts in a standout performance in the Oriental themed *Invasian 3* from Jules Jordan.

SHAY JORDAN

Asian Persuasion: Born in the Philippines, raised in Hawaii, the stunning Shay boasts 34C chesticles and used to go to culinary art school, specialising in French and Asian cuisine. Well, we'd be happy for her to cook for us, just as long as we got to try her dumplings…

Addicted to Asians: Shay made a couple of low-key lesbo movies before moving up to the heady heights of Digital Playground contract girl in no time at all. It's with DP that she did her first boy/girl scenes, and she's since stacked up award nominations galore from the likes of AVN, picking up 2007's Best New Starlet gong for *Nightmoves*. Of course, we'd cook for Shay too. Let's start with Cream of Sum Yung Guy…

Big Dicks in Little China: Take your pick from her cock-pleasing batch of titles for DP. *Shay Jordan Juice*, *Shay Jordan Scream*, *Shay Jordan Lust*. You know, the whole Shay Jordan line.



A blowjob so big it needs an extra big blob! Sorry!

Kaylani gets done in her region 3!

Priva on parade!

CIERA

PHOTOGRAPHY: HICKS

There's a load of lovely, sunny outdoor shoots in this issue, which is all well and good what with spring just around the corner and whatnot, although on this gloomy, grey Monday morning we can't help but feel a wee bit jealous. The problem is that due to 'credit-crunch' based budgetary restrictions on *MensWorld* the furthest we're allowed to travel on a shoot these days is Croydon to the South and Stevenage to the North, meaning the days of exotic trips and February tans are definitely behind us. Your hearts bleed for us, right? Well don't be too upset, because there is at least a Gregg's in Croydon.

To be honest, Hicks, the snapper who shot this set, is one of the main sources of our envy. He always uses such beautiful locations! Check out the pool with its fancy waterfall feature, and the lovely, lush vegetation. Man, he's so bloody swanky that he even has a plush outdoor bed for models to cavort around on!

And all this is without even mentioning Ciera, a girl so curvaceous and sexy that to be in her company would no doubt be akin to experiencing heaven on earth.

I wonder how she'd feel about taking a trip to Stevenage? It does have a lovely old town and a leisure centre…

again, and moved closer to feed his dick into my mouth. Now I was tasting Alyson off of him.

"Want to get on the desk?" he asked. I did. I lay back, pussy twitching as he tapped and rubbed his helmet against my clit. Then he stuck it in my cunt for four or five slow strokes, only to pull out again. He said Alyson had never taken his dick in her bum, so maybe I should show her how good it could be. I shot her a look – my husband is such a player sometimes! – but as he touched his wet tip to my arsehole, I took a deep breath, then took him in.

My knees were bent, feet resting up against his shoulders, laying me totally open. My pussy was already streaming over his cock and balls as he ploughed my backdoor. Alyson just watched at first, then Chris beckoned her over, grabbing her hand and rubbing her fingers up against my clit. My first orgasm hit in seconds, and I just kept on cumming.

"Sit on my face," I told her. She got on me in a sixty-nine, squatting over my mouth while her hand was on my clit as she watched his dick pound in and out of my bum. I licked her twat, then began lapping the juices and saliva over her bum, before sliding a finger inside. "Feels good, yeah?" I asked her. She moaned a yes, so I inserted another. I fingered her bum and sucked her clit, and got her cumming as hard as Chris's cock got me. He was fucking me hard and fast now, then his jizz just exploded out, filling my arsehole.

We called it a night after that, giving Alyson a ride back to her boyfriend's place, then went back home for one-on-one fucking. But I've insisted Chris invite Alyson to our place on Friday night for dinner, then maybe a weekend-long threesome to follow…

Nicole, Yeovil

THREE THE HARD WAY!

I never went to University looking to have a long-term relationship – I wanted more fun than that. So I'm a slut – who cares? Recently, I went to a party and overheard two blokes, Mark and Peter, moaning about how their girlfriends cockteased the hell out of them but never put out. I waited a while, then told Mark that, if they wanted some pussy, they should meet me out back in five minutes.

It took them ten, by which time the anticipation was almost killing me! I had three fingers buried in my pussy, resigned to satisfying myself instead. Then they showed up with another mate, Nick, who wanted in on the fun too. I was cool with that and figured I'd take control, telling Nick to get his arse down on the ground so I could ride

him. By the time I got his jeans down he was already rock hard, and I was wet so I just stuck him in me right away, bouncing as I told the others to get wanking off.

"You!" I said, pointing at Mark. He had a big, red cock, moist at the end, so I painted some on my lips before sucking him in. Peter got in behind me – I felt his dick brush up against my back and arse cheeks, but he was more interested in copping a feel of my big boobs.

The more he squeezed them and pinched my nipples, the harder I sucked on Mark's schlong and pounded my snatch onto Nick's hard dick. And Mark was horny at the sight of them, his dick jerking on my tongue. I'd wanted him to cum on my tits but when I got a taste, I couldn't resist taking it all in my mouth, savouring it. Peter moved in front and started tit-fucking me.

I rode Nick slower now, keeping his dick rigid though I didn't want him to cum just yet. Peter was a real tit-man, losing himself between my big boobs. I just let him fuck them how he wanted, squeezing and pinching my nipples as he squashed them around his shaft. Then he got me to cup them while he stroked off, before shoving his prick back in my cleavage as he started spunking.

I shivered in pleasure as his hot, thick seed bathed my skin. As he gave my nipples another pinch, my pussy clenched tight around Nick's cock as he groaned beneath me. I couldn't keep the poor guy in suspense any longer – I bucked up and down on him, squeezing as tight as I could, like I was trying to milk the spunk out of his balls with my pussy. And it worked – I rose up, then as I sunk down I felt a gush of cum as deep inside of my pussy as he could penetrate.

I assumed now the boys had got some, they'd just go rejoin the party, but they wanted a grand finale. Mark was eager to do me doggie style, and got me on all fours. As he frigged my sloppy pussy, Peter was pulling my arse cheeks apart, telling him to take a look at my arsehole, at just how fuckable it was…

Mark wasn't inside of me yet and he used his fingers, then the head of his hard dick, to slather cum all over my crack. I'd taken it in the mouth and pussy, and between my tits, so I thought I'd go for a full house and take one in the backdoor. I moaned at him to give it to me, then louder as his swollen meat crammed my tight arsehole full.

He fucked me slow as his mates got on either side of me, wanking themselves off furiously. I reached underneath myself, frigging my clit, a tingle glowing out through my crotch almost immediately. I came once, then again and I was on the brink of another as I felt Mark start to cum inside of my bum – then my orgasm hit as he pulled out and spurted his load all over my cheeks and gaping hole.

Peter held off as Nick blew his spunk all over me, before spurting on my arse too. I decided triple-frosted buttocks was as much fun as I could handle in one night, so I went back to the party, sticky and smelling strongly of cum!

PORN, GAMES, BOOKS AND EVERYTHING ELSE

The Morgana Show

Globe Productions, £15.99

Innovative new comedy is a bit thin on the ground at the moment, and what is actually out there seems to get buried on BBC Three before disappearing without trace.

Thus, when *The Morgana Show* rolled up on Channel 4 late last year it was like a breath of fresh air with all its random character-based creativity and general chaos.

The brainchild of Morgana Robinson, who was discovered by a theatrical agent whilst working as a waitress in a London restaurant, the show features her outlandish impressions of stars such as Lady Gaga, Cheryl Cole and, most hilariously, Fearne Cotton, alongside bizarre comedy concoctions such as funeral directors Joyce and Barry, lovable teenager Barry and redneck family The Hicks, who are all a bit too closely related for comfort.

Like many sketch shows of this ilk, much of it is a bit hit and miss, but what hits is very funny and Morgana's ambition and scattergun creativity mean it would be rude not to let her off for the rest. One to watch.

THE MORGANA SHOW

The Sinking of the Laconia

Freemantle, £15.99

A two-part drama written by Alan Bleasdale (Boys From The Black Stuff) this surrounds the torpedoing of the former British ocean liner RMS Laconia by a German U-Boat during World War II. With the Laconia on its way from Cape Town to the UK carrying 2,700 passengers including Italian POWs and British soldiers, the ocean liner is attacked by sub U-156 and the future looks bleak for the people on board.

However, on realising that so many people are going to lose their lives, the German U-Boat captain has a change of heart and goes against the orders of the Nazi high command, surfacing his craft and telling his crew to save the shipwrecked.

What ensues is a heroic and thrilling rescue effort, and one made even more difficult when, by a cruel twist of fate, the survivors come under fire from an American bomber.

It's a superbly made drama featuring excellent performances from Ken Duken, as the Nazi with a conscience, and Brian Cox as the Captain of the stricken Laconia.

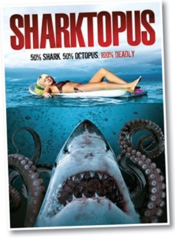
Sharktopus

Anchor Bay, £15.99

Eric Roberts has had quite the roller-coaster career. After making his debut back in the late 1970s alongside the likes of Susan Sarandon and Judd Hirsch in the critically-acclaimed *King of the Gypsies*, the rising actor went on to co-star opposite Mickey Rourke in The Pope of Greenwich Village.

But then it all went properly tits up, and by the end of the 80s Roberts was filling in for 'Chong' alongside Cheech Marin as a burnt-out-hippie, before popping up in a crap TV movie every now and again throughout the 90s and early noughties, his promising career seemingly fizzling out.

However, the last few years have seen something of a renaissance, with Roberts regaining credibility in the hit American TV series *Heroes*, in the most recent Batman flick, *The Dark Knight*, and in the OAP-packed actioner, *The Expendables*. Now, he's playing an evil-scientist and chasing around a radio-controlled shark-cum-octopus in a laughably shit yet entertaining B-movie that should be enjoyed whilst drunk.



Bob Dylan: The Stories Behind The Songs

Carltonbooks.co.uk, £9.99

Few would dispute that Bob Dylan is one of the most influential and well-respected recording artists of all time, but the meaning of many of his songs has long been surrounded by much debate. Even his self-penned book, *Lyrics*, posed more questions than it provided answers.

In this fascinating and meticulously researched tome, Andy Gill attempts to unravel the mysteries behind some of the legend's greatest tunes, taking into account factors such as the political climate, friendships, historical context and musical influences in order to provide insight into the writing. The result is an enlightening journey through nine of Dylan's most important albums – from the eponymous *Bob Dylan* to *Nashville Skyline*. A journey that takes in everything from his folk days, and the infamous 'sell out' incident, when he went electric at the Newport Folk Festival, to Dylan's forays into Psychedelia.

This book is a must not just for fans of Dylan, but for music fans full-stop.

Sneaking Around **Digital Playground**

DIGITAL PLAYGROUND

SNEAKING around

Latina hottie Selena Rose has been threatening to make a big breakthrough for a while now with her cute, curvy figure and scintillating performances in movies for Digital Playground such as *Jack's POV 17* and *Cheater*. And so it is that, less than ten flicks into her career, she has her very own feature in *Sneaking Around*.

The action surrounds a little scam that premier cocksmen Scott Nails and Erik Everhard have going which involves spying on hot girls that come into their gym. In real life they'd probably be arrested, but this is the porn world, and all the voyeuristic duo get for their sins is loads and loads of sex with some gorgeous women. Their big result comes when they get to double-up on Selena in a very hot scene that sees both her pert body and impressive enthusiasm for cock(s) showcased to perfection.

Sexy French newcummer Lou Charmelle also takes a couple of throbbing shafts with aplomb, and along with busty brunette Loni Evans – who puts Toni Ribas through his paces – shows her potential to become a future feature performer.

All in all, *Sneaking Around* is a nicely shot hardcore flick boasting impressively varied fucking and a series of gorgeous newbies and recently established starlets getting put through their paces.

6 Of The Best Put To The Test

Private

On their way to bagging contracts with the big American porn companies, many performers make their name with Private, those fine purveyors of 'Europorn' who helped introduce the likes of Silvia Saint and Sandra Shine to hardcore fans.

The upshot of this is that they get a lot of exclusive footage of girls who then go on to become very successful, and this disc is essentially a compilation of such material from their popular POV-style 'Sex Auditions' series concentrating on starlets who have done exactly that.

Cherry Jul looks every bit the ultimate teeny-tease as she plays with her pert tits prior to getting vigorously shafted in all holes, and a very early outing for top-notch tart Bambi sees her wanking Ribas off with her feet. Cute little bundle of fun Madison Parker shows us the potential that has seen her become a pornstar in the states, sucking on cock and bouncing around on boner like a girl who, ahem, wants to become a big porn star in the states.

Highlight of the DVD, however, has to be a showing from busty Hungarian beauty Aletta Ocean, whose giant boobs bounce as big Toni poles her pussy. Enchanting.

Sweet Pussy
VIVID

Sweet Pussy

Vivid

Five of the biggest names in the business showing us exactly what they're capable of over a series of scenes. When we clapped eyes on the cast-list we were genuinely excited. Alexis Texas and her award-winning arse, busty blonde Bridgette B, the impossibly cute Katie St. Ives, Tanner Mayes and those incredible curves, current porno uber-star Tori Black… Cancel all appointments, take the phone off the hook and batten down the hatches, we may not be available for some time! Alas, however, *Sweet Pussy* didn't quite live up to our expectations. Naturally, with the likes of Alexis Texas and Tori Black performing extended tease sequences before sucking and fucking their respective cocksmen, this is a movie well worth watching, but the shagging positions are repetitive and you're left with the feeling that more electricity could've been drawn from such accomplished porn starlets.

It's not that *Sweet Pussy* won't help drain your balls time and time again – the tease and please stuff should see to that – it's just that you might've expected it to leave you with bollocks like empty, dried up husks and a cock left red-raw from incessant masturbation. Nearly but not quite.

NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND…

PALEOFUTURE.COM

Back in the 1950s and 60s, boffins thought that the 21st Century was going to be both a remarkable and very, very shiny place to live – more space-age thrills and spills than suburban humdrum, and a time when leisure was going to be more a priority than the 9-5 slog.

They predicted we would be flying around on jetpacks and taking holidays on the moon, robot butlers and housemaids were going to do all our chores, cars would magically drive on their own, and kitchens would of course look like something out of a science-fiction movie. It was all going to be absolutely fucking marvellous.

> "IT WAS GOING TO BE ABSOLUTELY FUCKING MARVELLOUS"

Alas, things haven't quite panned out like that, but at least you can marvel over how scientists, journalists and people who must surely have been a bit bonkers from the period saw the shape of things to come at *paleofuture.com*.

Featuring magazine and newspaper articles, archive TV footage, some cracking artist's impressions and photographs, all offering their mostly misguided and often very funny predictions of what life was going to be like in the noughties, this is the place to go if you want to log-on and look what you could've won.

DRUNKORCHILD.COM

Such is life that many humans have chosen to console themselves with looking at stupid but funny stuff on the internet, the type of which is to be found in abundance here.

Simply read one of the user-submitted anonymous quotes on the homepage – most of them are either about wee, poo and/or vandalism – and click on the relevant button to guess if you think it was uttered by a 'drunk' or a 'child'. It's a surprisingly difficult caper, a grim reality highlighted by the fact that 'Woke up to find that I had peed the bed, took off my pee-pants and then returned to my pee-bed and fell asleep' was apparently said by a fully grown adult, albeit using a rather child-like vocabulary. Sometimes you wonder if we actually deserve jetpacks…

LETTERSOFNOTE.COM

Not just letters, but postcards, telegrams, faxes and memos, too. Recent additions vary from fairly insignificant-yet-interesting little missives such as Marlon Brando's message to Charlie Sheen explaining why he couldn't attend his birthday party and a cheeky letter from a very young JFK asking his dad for a raise in his pocket money, to much more important documents such as the speech that President Nixon would've read out had Neil Armstrong and Buzz Aldrin got stranded on the Moon, and a letter sent from prison by John Lennon's murderer, Mark Chapman, to a music memorabilia expert asking how he might track down a signed Lennon LP that he stashed before the killing, this is a fascinating blog dedicated to the posting and transcribing of genuine stuff. Superb.

CRANKTEXTS.COM

Have you ever received a text by mistake from a complete stranger? We have, and naturally because we're very lovely and helpful people here at *MensWorld* we promptly reply, telling them politely that they've sent their message to the wrong person. And then, of course, we bombard them with pictures of our knobs and arsecracks.

The bloke behind *cranktexts.com*, however, has a slightly cleverer and subtler approach. He rather naughtily pretends to be the intended recipient and attempts to engage the textee in mobile-based conversation, often leading the banter down some fairly weird and wonderful avenues. Finally, he posts all the best exchanges in a lovely, easy-to-read format on his website for your general amusement.

STRAIGHTDOPE.COM

If you've got a question you'd like answering and don't fancy putting your faith in often dubious websites such as *Wikipedia* and *Yahoo Answers*, then we recommend you head over to *straightdope.com* and put your poser to site creator Cecil Adams, a man who likes to refer to himself as 'The World's Smartest Human'.

He's being a little tongue-in-cheek, but the fact is that Cecil is a very clever and tenacious individual, and if there's a question he can't answer then he hasn't admitted it yet. Browse the huge archive of existing questions and impressively thorough answers, which count amongst their number random stuff such as 'Can gophers be trained to find gold?' alongside more pertinent conundrums such as 'How come February has only 28 days?'

NATASHA

PHOTOGRAPHY: SAGE

So who's this sprightly little cutie? Well, it's Natasha Nice of course, the French fittie with the famously big, all-natural boobs – big, all-natural boobs that were once voted the fifth best thing to come out of France behind baguettes, Jacques Tati, Kronenbourg 1664 and the music of Jean-Michel Jarre.

Although she now lives in LA, and enjoys all the luxury trappings that being a successful pornstar brings, Natasha was actually born in a small town on the outskirts of Paris called Fontenay-Sous-Bois, which incidentally very roughly translates as 'fantasy over the wood'. Make of that what you will.

While she obviously loves the swanky LA lifestyle and starring in loads of mucky movies, surely there's something that this 'tres bien madame' (you're impressed, right?) misses about her home country.

"Well not really, to be honest," she told us in a distinctly American accent. "My family moved to LA when I was three and I haven't been to France since."

Labouring a theme, we pressed on regardless. But surely there's something you'd like to go back for eventually, we added hopefully.

"Erm, the Eiffel Tower? That would be cool."

And then, we gave up and asked her to take her clothes off.
